

## Event: 1

**Event Name: Badge Distribution and Teacher's Day Celebration**

**Event Date: 16<sup>th</sup> September 2023**

**TESA Coordinator: Prof. Sandeep Kate**

**Day: 16<sup>th</sup> September 2023**

**Venue: Old Seminar Hall**

**Time: 02.30 pm onwards**

**Event Conducted Under: TESA**

**Target Group:** All, S.E., T.E and B.E. students from Electronics and Telecommunication Engineering Department

### Event Overview:

The Teacher's Day celebration was organized with the primary goal of expressing gratitude to teachers and creating a memorable and enjoyable experience for them. Here is an overview of the key aspects of the event:

#### 1. Planning and Coordination:

The Telecommunication Engineering Student Association (TESA) initiated the planning process well in advance, forming a dedicated committee responsible for organizing the event. The committee members worked tirelessly to ensure that the celebration would be meaningful and memorable.

#### 2. Student Participation:

The entire student body was encouraged to participate in various aspects of the celebration, including preparing special tributes and gifts for their teachers. This active involvement fostered a sense of unity and collaboration among students.

#### 3. Agenda:

The event commenced with a warm welcome and an opening address by the Student Association President. Students organized a cultural program that included musical performances, dance routines, skits, and poetry recitations dedicated to our teachers. Personalized messages and letters of appreciation from students were presented to teachers as tokens of gratitude.

#### **4. Badge Distribution Ceremony:**

Newly elected students association body (TESA) is felicitated with newly designed badges. Badge distribution ceremony adds a cherry on cake at the time of Teacher's day celebration.

#### **5. Refreshments and Social Interaction:**

Following the formal program, a reception was held, allowing teachers and students to mingle and interact in a relaxed setting. Refreshments and snacks were provided, enhancing the social experience.

#### **6. Feedback and Appreciation:**

A feedback form was distributed to teachers to collect their thoughts and suggestions for future celebrations. The overwhelming response was one of appreciation and gratitude for the thoughtful celebration.

#### **7. Future Plans:**

The Student Association is committed to arrange various non-technical and technical events in department to enhance interpersonal skills of every student in department. We aim to explore new ways to make each celebration unique and meaningful, including involving more students in planning and execution.

#### **Conclusion:**

The Teacher's Day celebration by the Student Association was a resounding success in conveying our deep appreciation for the dedicated educators who play a pivotal role in our academic journey. It served as a reminder of the strong bond between teachers and students within our institution.
